### Cemetery Information Wanted.

John Gribb, chairman of the city cemetery board, states that the board is having a lot of trouble checking up lot owners and locations. "In order to aid us in straightening out the records," said he, "we want to ask all lot owners to send us the number of their lot and block. This information should be sent to Mrs. H. L. Grigsby, secretary of the Cemetery association. It will be of great assistance to us and may prevent trouble later if all lot owners will promptly comply with this request."

### Two Golf Records Broken.

Playing in a foursome with "Spoot" Murray against F. L. Slusher and Dick Wooten Sunday, Ford Witherspoon made a score of 76 for eighteen holes, a new record for the course. In a game yesterday Tom Phillips leaped into the limelight with another record-breaking stunt. Starting for hole No. 9 he drove his ball across the lake the first shot and then gave it a blow with an iron stick which instead of sending it toward the green caused it to execute a neat circle and take a dive into the water. Mr. Phillips is being congratulated by his friends upon his achievement.
